NEW CERTIFIED GROUND INSTRUCTOR

NATHAN HOPPER

Nathan has made great strides over the past year and has successfully achieved CFII status. He will be instructing the PP ground classes beginning: **Tuesday, February 4th**. He will ready students for their PP written exam. He will soon be moving onward to Sky West, so be sure to catch this course to get your written test out of the way before going for your check ride.

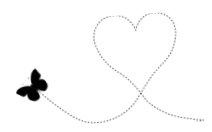

At the end of each flight..

Be sure to empty the aircraft of any and all of your personal belongings and trash accumulated. This will help keep our aircraft interiors clean for the next student / pilot.

CLUB MEMBERS FLIGHT SPECIAL FRIDAY, FEB 14TH

Book a flight with your sweetheart on Valentines day and receive **\$5.00 off per hour on your flight!**

Young Eagles

Young Eagles are back! They are taking youngsters AGES 10 TO 17 for free airplane rides on:

Saturday, February 15 and March 8 starting at 8:30am

This event is put on by EAA and Tony Marshall

Register your son or daughter at:

yeday.org

Parents Must be there to give consent.

LOOK OUT FOR BIRD NESTS

This is the season for birds to seek out warm, safe places to build their nests. Engine compartments are a popular choice. Be SURE to check closely as these nests are a fire hazard. If you come across a nest during pre-flight, have a Midfield maintenance staff assist in its removal.

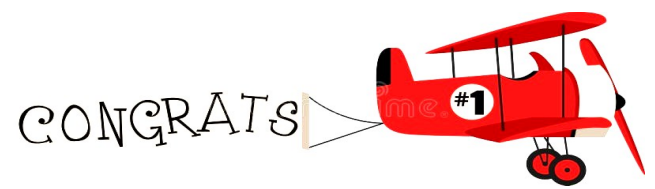

FUEL REIMBURSEMENTS

When you fly after hours, you may need to get fuel. We reimburse your fuel purchase at the current LL fuel rate at Apple Valley airport. Please only pump the fuel you need to return to Apple Valley. Be sure to put the fuel ticket in the binder so we can credit your flight. REMEMBER.. DO NOT select FILL UP at the pump, as it will put a \$450.00 temp hold on your card until the true transaction processes. This can take 2-5 business days.
