INDEPENDENCE DAY 4th of July 2025

On July 4, 1776, the United States declared its independence, setting in motion a journey toward liberty and self-governance that continues to evolve today. Freedom is not just a privilege but a responsibility—one that requires courage, unity, and determination. Whether you're celebrating with family and friends, reflecting on history, or honoring those who fought for independence, the Fourth of July is a time to embrace the spirit of liberty and patriotism.

fireworks = Lost Pets

Share this photo to help prevent lost pets!
On the 4th of July... keep your pets inside,
and always microchip & tag all your pets.

CLUB MEMBERS FLIGHT SPECIAL

FRIDAY & SATURDAY
JULY 4TH 5TH

Book and fly an aircraft..

Get \$5.00 OFF

per hour-- up to 3 hours!!

**BEST TIMES WILL BOOK FAST-- SO CALL TO
SCHEDULE YOUR FLIGHT TODAY!**

TOP THREE REASONS PEOPLE QUIT FLYING

1. COST
2. HEALTH
3. CLASH OF PERSONALITIES

The first reason can be challenging to overcome, though not impossible with financing, etc. Matters regarding health, can be a deal breaker in achieving your pilot's license when you become unable to pass the FAA medical exam. The third reason is simple to overcome by selecting a different instructor. Call Midfield or come by the office for CFI contact numbers so you may begin the search for the best instructor for you. Reach out and have conversations with a few instructors--when you find a good chemistry, schedule a flight. You are welcome to try out instructors til you find the one that best suits your aviation needs. KEEP AIMING HIGH!!

HIGH Altitude Airport Requirements

All pilots seeking to fly to ANY high altitude airport **REQUIRES A PRIOR CHECKOUT** from one of our CFIs. Call Midfield for CFI numbers or call your current Midfield CFI to schedule the check out.

Midfield requires a copy of the checkout logbook entry endorsed by the CFI, **BEFORE** departing to a high altitude airport.

NOTE:

Some locations have LIMITED hours of operation. CHECK THE TIME schedule in advance so you are well prepared. **Pilots are responsible** for any transient parking, landing fees, etc. which can take up to 45 days after the flight to receive in MF office--due upon receipt.

Mornings along the coastline, there's a marine fog layer that fades by noonish or early afternoon. It will advise 5 miles VFR, but to us desert-flyers it means bad visibility. Be sure to plan ahead for this. Safe Flying Everyone!!

—ADVISEMENT—

**BIG BEAR TERMINAL HAS BEEN
DEMOLISHED—call ahead for latest info!
909-585-3219**

**HELP KEEP AIRCRAFTS CLEAN!! REMOVE ALL
YOUR PERSONAL BELONGINGS AND ANY TRASH
ACCUMULATED IN AIRCRAFT— MF IS NOT
RESPONSIBLE FOR ITEMS LEFT BEHIND OR LOST.**
