**YOUNG EAGLES -- APPLE VALLEY
NOVEMBER 8TH**

**OPEN REGISTRATION @ YEDAY.ORG
UNTIL NOV. 6TH @ 9AM**

Kids 8 - 17 years of age are welcome to participate in this FREE flight event!! Parents need to complete the form online to register. Hurry, as the availability fills up quickly. If it is posting as closed, you can still register as a standby, in case some do not show on day of event. Great opportunity for youth who are motivated in getting involved in the field of aviation.

THURSDAY, NOVEMBER 27TH

President Abraham Lincoln proclaimed Thanksgiving a national holiday in 1863, setting it as the last Thursday of November. Today, we hold this tradition dear by hosting a feast of fabulous foods and share heartfelt thanks with those we love and care for. May this Thanksgiving holiday bring many reasons for you to give thanks throughout the year. ALL OF US HERE AT MIDFIELD, WISH EVERYONE A SAFE AND MEMORABLE HOLIDAY!!

**TUESDAY, NOV. 4TH

It has 20 hp more than the other low wings currently on fleet. Book today to experience power and performance!!

=====

STUDENTS & CFIs

Always perform a complete pre-flight inspection each and every time you fly.

Extremely important to properly TIE DOWN the aircraft after your flight--**each and every time.** Improperly tied aircrafts can move and lift in the winds. Do not rush through this step. **Don't Forget** to remove the pitot cover BEFORE your flight and re-apply the pitot cover AFTER your flight. **Be mindful to secure** the doors and compartment door as well. Unsecured doors can swing open which can cause damage to the aircraft. Any negligence in performing these tasks improperly, you and/or the pilot in charge would be responsible for, if repairs are needed. Ask your CFI for the proper technique to tie down aircraft. Questions? Ask staff at Midfield. Safe flying everyone!!

=====

NO ATTACHMENTS TO AIRCRAFT

Foreign objects or items such as a boom camera are **NOT PERMITTED** to be attached on any of Midfield aircraft. Not only does it pose a hazard, it is not covered by our insurance should it become loose and cause damage to aircraft or anything on the ground.
