STUDENTS, CFIs, PILOTS

PLEASE BE ADVISED..

You are **NOT PERMITTED** to **AFFIX, ATTACH OR ADHESIVE ANYTHING** to **ANY surface of the aircraft.** NO boom cameras, devices, device mounts, sticky items, etc..

Interior plastics become damaged by the addition of foreign objects affixed to the surfaces. Exterior attachments pose a serious hazard should they become loose or fall away from aircraft. **Such events could cause unexpected damage.**

Should damage occur, student, pilot or CFI would be responsible for the cost of repairs.

INSURANCE for STUDENTS, PILOTS, CFIs

**DON'T RELY ON LUCK!
FLY WITH COVERAGE!**
