#### **FYI TO ALL STUDENTS, PILOTS ..**

You are responsible for any damage or breakage incurred during your rental time with aircraft. If there is a need for insurance claim, you will be required to pay the deductible of \$2,500.00 and potentially be sought for additional payment if insurance deems you liable. This is standard in the industry. There is a remedy for such unfortunate events by obtaining student pilot rental insurance. Here are a couple decent insurance options:
