

FROSTY MORNINGS

Flying in early morning hours, just as your car's windshield gets icy—so does the aircraft's wings and such. To avoid dealing with that, try to schedule after 9am.

Midfield Aviation
21723 Cerrito Ave
Apple Valley, CA 92307

NIGHT FLYING

Perfect time to book your night flights! Student pilots are required to have 3 hours of night, 10 take-offs and landings to a **full stop** and **1 cross country** at night. Which equates to 51 nautical miles in a single flight.

Household Hazardous Waste Facility

Open each Saturday to the Public
10AM—2PM for FREE Drop off!

January

HAPPY NEW YEAR!

HELLO 2024!!

Hope everyone had a wonderful, safe and memorable holiday season. May this year bring many new blessings, opportunities of prosperity and an abundance of peace! This is the time of year to make those new year resolutions! Keep with the traditional ones of stop smoking, lose weight and/or get that promotion! OR Think outside the box and make your own new best resolution to achieve this year! ...psst! Like getting your pilot license.
