March

Happy Easter aviators! May your flights be smooth, your landings gentle. Remember, just like the resurrection of hope on Easter, every takeoff is a chance for a new adventure. May your cockpit be filled with laughter, your altimeter with blessings, and your flight path lead to endless horizon! Easter Blessings!!

Sunday , March 10th

Students, hurry and get your night requirements out of the way BEFORE the clocks move ahead. When you go to bed Saturday night March 9th, be sure to set your clocks ahead ONE-hour! As we lose one hour, we gain extra sunlight hours! HELLO SPRING!!

Incidents can occur unexpectedly. Do not be unprepared for such an event. You are responsible for any damage or breakage incurred during your rental time with aircraft. If there is a need for insurance claim, you will be required to pay the deductible of \$2,500.00 and potentially be sought for additional payment if insurance deems you liable. This is standard in the industry. To remedy for such unfortunate events, seek out student pilot rental insurance. Here are a couple decent insurance options:

AVEMCO _____ 888-241-7891
SKYWATCH A.I. _____ 888-849-4902

For events that do not require an insurance claim, a repair may be in order due to a blown tire, tube, or wheel parts break, or nose drop etc. Either the student, or CFI may be required to pay that bill. If aircraft is left at another airport due to flat tire or dropped mag, etc.. Attempt to seek repairs and call Midfield to authorize those repairs, if student or pilot ends up paying for the repairs on site, Midfield would reimburse the cost of those necessary repairs.

Hangars & Tiedowns Space rent is due on the **1st of each month.** There is no grace period. **Late fee of \$25** will be assessed **after the 15th of each month** for any balances left unpaid. To avoid this, please pay on time. You are also welcome to prepay.

Flights: Flights taken are **due at the end of each flight.** There is no grace period. Flights after hours are **due the next business day.** You may post monies (in form of cash or check) to your account in advance to cover your after hour flights. Late fee of \$25 will be applied to flights **left unpaid over 15 days.** To avoid this, please pay on time.

Maintenance performed is due when work is complete. There is no grace period. Late fees will be assessed for any balances left **unpaid over 15 days.** Subject to tiedown fees. **Advance authorization is required if needing to pay beyond 15 days.** Subject to tiedown fees.
