**STUDENTS, PILOTS INSURANCE**

ALL STUDENTS, PILOTS, CFIs ... Incidents can occur unexpectedly. Do not be unprepared for such an event. You are responsible for any damage or breakage incurred during your rental time with aircraft. If there is a need for insurance claim, you will be required to pay the deductible of \$2,500.00 and potentially be sought for additional payment if insurance deems you liable.

This is standard in the industry. To remedy for such unfortunate events, seek out student pilot rental insurance. Here are a couple decent insurance options:
